RAUM FOLLOWS TANNER.

The Administration's Pension Bureau to be Again Investigated-Trouble For the Commissioner.

The following telegram sent to the New York World may be true:

It is likely that Commissioner Raum and waits. Corporal Tanner.

First-That the present commissioner of persons has been engaged in selling to certain employees of the pension office shares of stock in a corporation or company of which he is president, which is organized for the purpose of introducing a parent refr gerator which, it is c aimed, is impracticable and wor hless, and that in consideration of such purchase said employees are promoted in office; and,

Second-That said commission of pensions has recently, by an unjust and partial ruling, advanced and caused to be taken up out of their order many thousands of the claims of a cer ain attorney residing in the city of Was ington, and that in consideration thereof said attorney has become surety on the note of said commissi ner in a bank in the c ty of

terest in the concern.

reached his patrons before the order and strode out of the doorway. has been published in the Pension Bureau.

It is charged that a man named Tur- apolis, Duluth and West Superior of the stock, was promoted from a the famous Park Region of Minnesota, and another a low duty; and so on their part.

daily consideration by the pension steads. evidence. For along time Raum held three lines through the Red River of the steal in this bill. It is a mere out against this demand, but two Valley, is the only line to the Turtle bargain and sa'e-a trade a scramble, order which will put \$100,000 in Dakota, and runs the only solid Lemon's pocket. Curiously enough, through trains of Palace Dining and ing watch se as to crowd all the rest three days after making the order Sleeping Cars, Modern Day Coaches out. The whole thing is a steal and National bank his note for \$25,000, Fall, Moorhead, Fargo, Grand Forks, ple. bearing Lemon's indorsement, and got Crookston, Devils Lake, Minot, Glasthe money for it

When he becomes tired of unsuccessful prospecting, having prothe attentions of the lovelorn lass, he cured an outfit at San Bernardino, struck into the Wallapi country of move out. When the affair reaches Arizona, on the borders of the Grand Canyon. After a month's stay there he made :wo trips into the Tombstone country of southern Arizona in company with the Wallapi Government scouts. They kept in the valeys, however, and so, in spite of the roving Indians, he struck out alone in July, 1877, and made a discovery of a rich fle at quartz on the surface of a range f very low hil's.

> "For lack of means," said Mr. Scheiffin. "I only located one claim. went to Tombstone, but they wouldn't look at me. They h.d a soft enough thing of it then-Government contracts. I had a brother somewhere in the country, and in the fall I started to find him, which I did in the Owens district. We went back to the Tombstone district, together with a few others."

"We arrived at the claim early in February, 1878. During my absense Old Cochie, the Indian Chief, had died, and in default of his leadership and daring, his followers with drew to more secluded retreats and left us in peaceful possession of the field. We now made eleven locations, and by the sa'e of the Contention for \$10,000 we were enabled to do some development. We also got a \$5,000 forfeit from some San Francisco capitalists to whom we bonded the remainder of the claim for \$90-, 000. Ex-Gov. Sanford, of Arizona, hen made a proposition to put up a mill and take a fourth interest in it. This offer was accepted, and the mill was run June 1, 1879, to Marca, 880, and then we sold out for \$600,-

"That was my only real success. have spent a great deal of my time in Alaska and consider the gold fields of the Yokon among the most promising in the world.'

A Game of Grab.

The following is from Representative Bland on the McKinley bill:

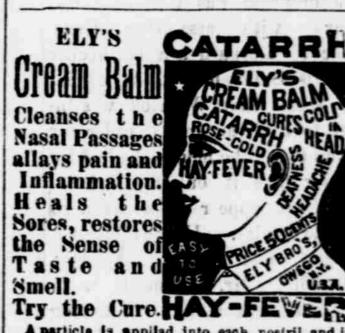

I see gentlemen rising on that (republican) side of the House, one contending for a high duty on lead, another for a low duty on lead, each one of them declaring that his particular industry will be ruined unless his theory is carried out. On the other hand, one wants a high duty on glass the part of gentlemen on that side of who have their paw into it are stand-
